

4-H Club Game Leader

In larger clubs you might have several game leaders.

- Game time allows members to have fun together and to get to know each other. Make sure you are prepared with fun and exciting games for your fellow club members to play.
- You will need to make sure you involve everyone in the games you lead.
- Along with the song leader, you will be one who sets the enthusiasm level at your club. Having fun is a big part of the 4-H meeting.
- Make sure the games you select are appropriate for all of the age groups in your club.
- Make sure you have worked with the President and been placed on the agenda for game time. Choose games that fit the time that is available for games at each meeting.

Game Ideas:

Musical Chairs

Bring Me
